

3) Title: Riverton Rainy Day

Oil on canvas

Tracy Spalding member of Art West Community Gallery which is a member of BVAC.

Artist Statement: My subject matter is derived from the mystery and beauty of nature. Abstract expressionism, imagined scenery and expressive styles are portrayed in explosive colour in various mediums.

My art is inspired by outdoor places that are peaceful, stimulate imagination and bring joy.

My goal is for my art to inspire others to search the world and discover beauty in unexpected places.

1) Title: Infused Romantic Gum

Mixed media on canvas

2) Title: First Blush Meander

Mixed Media on canvas
